FIRST ANNUAL WOODLAND PARK FAMILY NIGHT

Tuesday, April 25th, 2017!!

The volunteers of the Woodland Park Municipal Alliance against Drugs and Alcohol Committee would like to thank the Borough of Woodland Park, Board of Education and local restaurants for their support of Family Night. The purpose of Family Night is to provide Woodland Park families a cleared schedule to enjoy quality time with each other. Family mealtime is an effective tool in fostering family unity and helping children and adolescents remain substance free.

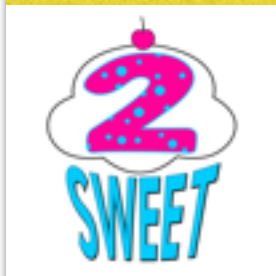

Dinner Does Make a Difference!

Family Night will be celebrated Tuesday, April 25th 2017. The calendar has been cleared of meetings, practices and homework.

Local restaurants will be offering discounts for Woodland Park families who don't want to cook at home.
